

VOTE FOR PROGRESS VOTE FOR STABILITY

Cast your ballot for continued improvements to your community that benefit both home and lot owners

This election will be crucial in the ongoing effort to improve conditions in Lake Holiday. So much progress has been made in recent years. But now that progress may be threatened. We need a board of directors made up of owners who are concerned about the welfare of the entire community, not the interests of a few.

Lake Holiday can look proudly at these improvements of the past few years:

- More reliable, safer utility system
- Better roads and signs
- Modern, attractive gate and entrance
- Improved community center
- New playground and tennis & basketball courts
- Improved property values
- Sound maintenance of the dam
- Progress toward a renovated clubhouse
- Lifting of the moratorium on home building coupled with orderly, not coerced, growth
- Control back in the hands of owners, not the courts
- Better reputation outside the community

The election will be held Oct. 28. The deadline for receiving absentee ballots is 5 p.m. on Oct. 27

If you believe Lake Holiday is headed in the right direction and want progress to continue, the Concerned Owners Group urges votes for these candidates, your neighbors, who share that perspective:
