

ATTENTION LAKE HOLIDAY ASSOCIATION MEMBERS:

October 27th is the date of the Annual Meeting of the Association and the day that we elect members to the Board of Directors. You have received a number of letters with information that is intended to influence your vote, and although it is impossible to know if everything that is said is true, you can see by the successes, both within Lake Holiday and in the courts, that the current Board has placed your best interests in front of personal gains and egos.

We have another challenging year ahead of us and we need Directors with an open mind, with experience, and with an attitude that will allow the governance of our community to stay above meaningless infighting. A vote for the following candidates will allow Lake Holiday to continue to deal with the many hurdles that face the community, but most of all, your vote for these folks will assure that progress will be made, and that the quality of life at Lake Holiday will continue to improve. **Please cast your vote for:**

**Jo-Ann Barnard
Richard Bleck
John Martel**

**Robin Pedlar
Wayne Poyer
Pat Shields**
