RE: March 13, 2006 letter regarding distribution to and by members

Dear Mr. Murray:

This letter is in response to your letter of March 13, 2006, in which you requested the Association to mail your "response" to our "letter" to all of the members at the Association's expense and to "put a date-ordered, equally prominent and visible link to [your] response to [our] letters on the Association's website..."

With respect to your inquiry regarding the letter of February 8, 2006, there is only one version of this letter, and as you pointed out, in addition to being mailed, this letter is also available on the Association's website.

It is unclear in your letter exactly what materials you want the Association to forward to the membership; furthermore, we believe that your requests are beyond the scope of Section 55-510.2 of the Virginia Code.

Sincerely,

Chris Allison, President
Board of Directors
